

VASQUES À POSER/ENCASTRER

LÉGENDE :

Profondeur de la cuve

Poids de la vasque vide

VASQUE À POSER

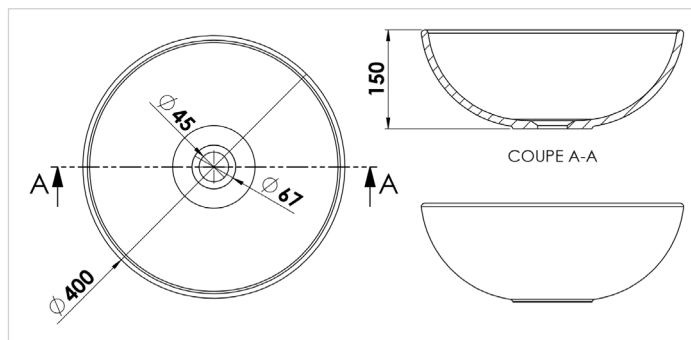

Céramique

Avec une vasque sans trop-plein, utiliser le vidage référence «MITVIDAG03...» en version écoulement libre (incompatible avec un mitigeur à tirette).

Lorsque le mitigeur est sur la vasque, prévoir un mitigeur standard et lorsque le mitigeur est sur le plan prévoir un mitigeur haut.
